Contact me today to arrange a consultation. Take the first step towards a more balanced relationship and better understanding of your dog.

@DOGSNATURE\_ESSENCE

## Services

- ◆ Online classes/meetings
- ◆ Puppy classes
- ◆ Behavioural training
- ◆ DogFitness classes

### Puppy classes

For 6 weeks (weekly meetings), for puppies after vaccination – around 10-12 weeks old.

#### During these 6 weeks we will learn about:

- ◆ How dogs learn
- ◆ Meeting the needs of our puppy
- ◆ Understanding and reacting to different situations with our dog
- ◆ Toilet training
- ◆ Loose leash walking
- ◆ Socialization
- ◆ Recall
- ◆ Basic commands like sit, stay
- ◆ Preventing problems such as teething, jumping, biting

A tailored approach to dog fitness

## Dog Fitness Classes

5 sessions in your own house (level 1)

**It's not only exercises – it's great fun, stimulating and rewarding, with many benefits:**

- ◆ It will strengthen your bond with your dog
- ◆ It will help establish good communication and understanding with your pet
- ◆ Improve the dogs learning process and motivation
- ◆ Stimulate your dog's brain and maintain interest
- ◆ Build your dog's confidence and composure
- ◆ Help your dog be calm, relaxed and focused
- ◆ Help your dog with its body and situational awareness

**easy exercises suitable for any dog, regardless of age, breed or condition**
